BUSINESS

presented by **WJHR**

2025

Following its inaugural year, Warriors in Business, presented by MyHR, returns in 2025 to take high-performance networking to the next level.

With more events and keynote speakers, and opportunities to connect with other like-minded organisations, Warriors in Business offers an environment for companies to create competitive advantage through growing their circle of influence and increasing employee engagement, all while connecting with the One NZ Warriors.

Warriors in Business guests in 2024 included Sport NZ CEO Raelene Castle, One New Zealand CEO Jason Paris, SKY TV CEO Sophie Moloney, and One New Zealand Warriors CEO Cameron George.

Warriors in Business Events 2025

Warriors in Business guests for 2025 will include NRL Hall of Famer and now Corporate Executive coach Wayne Pearce, Kiwis coach Stacey Jones and former Warriors back rower and Motivational Speaker Sione Faumuina.

"Warriors in Business was a great way for myself and my company to network with likeminded people. Over the course of the year, we managed to make great connections with other companies that resulted in new business.

An awesome initiative by the team at the One New Zealand Warriors! We will definitely be back next year!"
